# Join the Parish Council

Do you want to play an active role in shaping the future of your community? Are you passionate about making a difference in the lives of your fellow residents? Then we invite you to join our Parish Council!

As a Parish Councillor, you will have the opportunity to work alongside other dedicated individuals who are committed to improving the quality of life in our community. You will help to make decisions about local services, community projects, and other issues that directly affect the people who live here.

This is a great opportunity to:

- Make a real difference in your community
- Gain valuable skills and experience
- Meet new people and make new friends
- Build your CV and enhance your career prospects
- Represent the views of local residents

No experience is necessary – all you need is enthusiasm, a willingness to learn, and a commitment to serving your community. We welcome applications from people of all backgrounds, ages, and abilities.

If you would like to contribute, please speak to one of your Parish Council members, or email [hermitagepc@outlook.com](mailto:hermitagepc@outlook.com)
